

NordPlus Adult project

INNOVATIVE VOCATIONAL FOREIGN LANGUAGE TEACHING – A KEY TO ADULT LEARNING MOTIVATION

Project ID: NPAD-2015/10009

Summary

This project is set up to raise the motivation of adult learners through innovative teaching material and modules.

It will help them to integrate and join the labor market easier.

Project aims

- To create attractive teaching content of vocational foreign language and promote the interest among less motivated adult learners
- To boost the cooperation among main related target groups in the sphere of involvement of employees of SME's (Small and Medium Enterprises) into vocational training and re-training;
- To raise accessibility and attractiveness of various courses as well as self-study tools for adults and other vocational training participants.

Programme objective

- *To strengthen the link between adult learning and working life*

Target groups

The main target group of the project is adult learners. The related target groups of the project are vocational training teachers, employees, social partners and local community.

Project activities

- The research of the situation in vocational foreign language teaching and learning and further analysis;
- The processing of the data and preparation of concluding material;
- Vocational foreign language modules (teaching material) development;

Project activities

- Creation of project website where all the teaching material (modules) will be uploaded;
- Testing of Vocational foreign language modules
